## REMARKS

The Examiner states that the application became abandoned due to non-payment of the issue and publication fees.

On March 29, 2007 the following documents were submitted to the USPTO via the Electronic Filing System (EFS ID 1638033):

1. Petition for Revival of an Application Abandoned Unintentionally along with the appropriate fee;
2. Request for Continued Examination along with the appropriate fee;
3. Information Disclosure Statement with references.

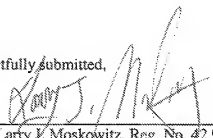

Further to the Decision on Petition the Examiner states that the instant petition lacks item (1) the required reply. Enclosed for filing is Issue Fee form PTOL-85 along with payment of the issue and publication fees.

Applicant submits that all elements of the petition have now been satisfied and respectfully requests reconsideration and the petition granted.

Should any issues remain unresolved, the Examiner is encouraged to telephone the undersigned at the number provided below.

Respectfully submitted,
